Registration is required for all land classes. Classes need a minimum of 4 participants registered or the class will be cancelled for the day. Registration can be made online or by calling 717-664-6305. *All classes and class times are subject to change. *

Advanced Balance & Stability Elevate your fitness with our advanced balance and stability class. Challenge core strength and refine coordination through dynamic exercises designed for optimal stability.

Arms, Abs & Assets This high-energy class targets your upper body, core, and glutes for a complete strength and toning workout. Perfect for all fitness levels, this class keeps your heart rate up and your muscles engaged while focusing on proper form and functional movement.

Chair Yoga Flow Relax and restore. Move your body through a series of yoga poses, movements for core strength and balance exercises that build endurance and improve flexibility. A chair will be used to adapt poses for a variety of skill levels. This class is designed to boost your mood and promote an overall sense of well-being.

Gentle Yoga It focuses on slow, mindful movements, light stretches, and relaxation techniques. It's perfect for beginners, those with limited mobility, or anyone looking for a calming and restorative practice.

Healthy Hearts A cardiac maintenance program. Six rounds of eight-minute cardio-sessions using the cardio equipment of your choice and one eight-minute session of strength training using weight-machines and free weights. Blood pressure and heart rate monitoring throughout the class, led by an instructor. This class is held in the gym.

HIIT W/Erica A fast-paced workout mixing bursts of cardio and strength with short rest periods. Burn calories, build endurance, and boost strength in less time. Suitable for all fitness levels.

Intervals A class that anyone from beginner to advance will benefit from-every exercise has three levels (1,2&3) one for beginners and three for advanced, two for all those in between. This class is designed to challenge you-but you control of the level you choose. Each class includes a strength, core and cardio component.

Move A dance workout that improves cardio endurance and burns calories. MOVE is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout.

Muscle This class is a full body conditioning and strengthening workout, improving functional strength, flexibility, endurance and balance using a variety of exercise tools and body weight exercise.

Mind in Motion Is a supportive exercise class designed to improve mobility, balance, strength, and overall quality of life for individuals with Parkinson's disease and other neurological diseases.

SilverSneakers® Better Balance A combination of coordination drills and strengthening exercises designed to help reduce your risk of falling and improve your quality of life. Focused on improving balance, this class uses chair support to advance cognition and fall prevention skills.

SilverSneakers® Classic Have fun and move to the music through a variety of exercises designed to increase muscle strength, range of movement and activities for daily living with use of hand-held weights, resistance tubing and a small exercise ball.

Yoga Flow This popular practice of yoga will keep you moving! You'll flow continuously through strong sequences of traditional Sun Salutations and standing postures, linking breath with movement and build strength and endurance as you push the edge of your balance and flexibility.

Important-Please Read!

Attention all aquatic class participants. Please be respectful to those who have scheduled pool appointments prior to class. Do not enter the pool or remove lanes for class until the scheduled pool patrons exit. Registration is required for all aquatic classes. *All classes and class times are subject to change. *

Aqua Spin Is a dynamic 45-minute power workout on a Hydroider stationary bike. This class will increase speed pedaling through intermittent bursts of resistance. **Water shoes are required**

Open Swim The pool is "open"-These specified times are the only times during the week that the pool can be used by members without an appointment. Lanes are removed. Please exit promptly when open swim has ended. **Only available for members with pool membership.**

Water Fusion This class takes advantage of the aqua environment to build muscular endurance, power, and overall tone using aqua dumbbells or pool noodles. Combine the unique properties of water to build lean muscle through the creative use of drag, resistance, and buoyancy. **Water shoes are recommended**

WaterWorx Tone and sculpt your body with low impact on your joints. This workout is a fun blend of cardio and resistance training, that incorporates resistance tools such as aqua dumbbells and noodles.

Water Volleyball A fun, non-competitive game of water volleyball with fellow members.

Water Yoga A water exercise class that uses the basic exercises, principles, and movements of yoga and adapts them to a shallow-water environment. The program is a gentle and very low-impact aquatic activity. With the release of gravity, the body is able to find the best stretch that mat yoga may restrict.
